INTRODUCTION

Who We Are

HEART is a Christ-centered orphan prevention ministry committed to the holistic and self-sustaining well-being of HIV+ single mothers and their children. We seek to radically improve the pace and depth of the physical and spiritual health of HIV+ mothers and their children so that their cycle of poverty is permanently broken.

The Opportunity

In celebration of our 25th anniversary, HEART is hosting a Gala to raise critical support and deepen our impact. We are seeking corporate sponsors to join us in advancing health equity, women's empowerment, and sustainable development across Kenya.
